

Pennsylvania Psychiatric Institute locations accept the following insurance plans:

Pennsylvania Psychiatric Institute (PPI) accepts a variety of health insurance plans and will submit claims on your behalf. Certain coverage restrictions may apply based on your individual benefit package. Please check with your health insurance carrier to see if PPI participates with your insurance plan network. If you receive services from a provider who is in your insurance plan network, you may receive the highest level of benefits. If you receive services from a provider who is not in your insurance plan network, the insurance plan may require out-of-network authorizations or a referral from your primary care provider and pay at a lower level of benefits. If your insurance is not identified below, please call the customer service number identified on your health plan card - or call PPI at 717-782-6822.
